

LeafT In **Events**

2025 ZERO EMISSIONS CRUISING CONFERENCE

17- 18 November 2025
Thon Hotel Bergen Airport
Bergen, Norway

KEY TOPICS:

DECARBONIZATION SOLUTIONS
FOR CRUISE SHIPS
Long & Short Sea Operator's perspective

FUEL OPTIONS FOR CRUISING
INDUSTRY
Advancements in Marine Renewable Fuels:
LNG, Hydrogen, Liquid Biofuels

ELECTRIFICATION &
HYBRIDIZATION
Innovations in design and propulsion systems
for maritime applications

DIGITAL SOLUTIONS IN THE
INDUSTRY
Leveraging digital solutions to enhance
sustainability in the cruise sector

REGISTRATION:

+48 786 530 152

Day 1 - 17 NOVEMBER 2025

8:00 - 9:00

REGISTRATION

9:00 - 9:10

OPENING REMARKS

9:10 - 9:30

**Regulatory Framework in Cruising: Challenges and Changes
Across Norway & Europe**

Maria Garbarini - RINA

9:30 - 9:50

**Regulatory Challenges: Introducing RFNBO Methanol
& Ammonia Supply in European Ports**

Oleksandr Siromakha - MB Energy

9:50 - 10:00

Q&A Session for regulations

10:00 - 10:30

**Paths to progress: Sustainability of short-sea
and ocean-going cruising**

Joakim Sjöblom - PBI

10:30 - 11:00

COFFEE & NETWORKING BREAK

11:00 - 12:30

PANEL DISCUSSION

Cruise Operators' Perspectives & Strategies

A. Ullrich - RINA, L. A. Vangstein - Havila Voyages,
G. Larsson-Fedde - Hurtigruten, C. Schladör - Carnival Maritime,
L. Damm - TUI Cruises, M. Petiteau - PONANT Explorations Group,
M. McCall - Norwegian Cruise Line Holdings

12:30 - 14:00

LUNCH & NETWORKING BREAK

Day 1 - 17 NOVEMBER 2025

14:00 - 14:30

**Electrostatic Application of PPG Hull Coatings,
the sustainable way of paint application**

Peder Bjellekjær - PPG

14:30 - 14:50

**From Mooring to Movement - Cruise Ports, Communities
and the Future of Green Cruise in Norway**

Monica Berstad - Cruise Norway

14:50 - 15:15

**From a market-oriented cruise port based on assumptions,
to a green cruise port based on facts**

Nils Møllerup - Port of Bergen

15:15 - 15:45

COFFEE & NETWORKING BREAK

15:45 - 16:15

**Human-led decarbonisation: motivating crew through
data-driven positive engagement**

Harriet Hunnisett-Johnson - Signal

16:15 - 16:40

**Regulatory and voluntary emission reduction needs
in shipping for 2025**

Mikael Lidén - Gasum

16:40 - 17:05

**Green hydrogen for the World Heritage Fjords - real life
stories from an early mover. Plus an offer you can't refuse.**

Simen Skaare Eriksen - Norwegian Hydrogen

17:05 - 17:30

**Code red,to be postponed?
(LNG, CO2 CAPTURE)**

Gunnar Helmen - Molgas Energy

18:00 - 20:00

SUSTAINABLE ENERGY DINNER

Day 2 - 18 NOVEMBER 2025

8:00 - 9:00

REGISTRATION

9:00 - 9:10

OPENING REMARKS

9:10 - 9:35

Powering the Future: Smart Integration & Electrification

Kristian Liknes - Wärtsilä

9:35 - 10:00

Hybrid Electrical Solutions — retrofit considerations

Tanja Alina Berg - ABB

10:00 - 10:25

Development of ESS for cruise ships - Is a battery just a battery?

Finn Arne Rognstad - Corvus Energy

10:25 - 11:00

COFFEE & NETWORKING BREAK

11:00 - 12:00

PANEL DISCUSSION

How can we push energy transition in cruising forward?

K. T. Aurdal - GCE BLUE MARITIME CLUSTER, K. Liknes - Wärtsilä,
L. G. Sandvik - RINA, L. De Freitas - Silverstream Technologies,
M. Ivarsson - St1

12:00 - 13:30

LUNCH & NETWORKING BREAK

Day 2 - 18 NOVEMBER 2025

13:30 - 13:55

GHG Emissions Reduction with Propulsion Technologies

Gunnar Larsen - HAV Group

13:55 - 14:25

GHG Emissions Reduction with Hydrogen Engines

Sokrates Tolgos - Everllence

14:25 - 14:50

Navigating Risks and Reducing Emissions with Advanced Voyage Optimization

Petter Andersen - StormGeo

14:50 - 15:15

How to enable digital solutions to reduce emissions and carbon footprint and what's involved with that

Willy Finstad - Marlink

15:15 - 15:30

CLOSING REMARKS
